DOCKET NO. 2000-488-C - ORDER NO. 2007-331

MAY 18, 2007

IN RE: Application of Universal Telecommunications,) ORDER CANCELLING
        Inc. for a Certificate of Public Convenience and) CERTIFICATE
        Necessity to Provide Intrastate Resold   )
   Telecommunications Services   )

This matter comes before the Public Service Commission of South Carolina

(Commission) on the request of Universal Telecommunications, Inc. (Universal or the

Company) to cancel the Company's Certificate of Public Convenience and Necessity to

provide resold intrastate telecommunications services in South Carolina. A review of the

Commission's records reveals that the Commission granted Universal authority to

provide telecommunications services in the State of South Carolina by Order No. 2001-

543, dated June 6, 2001.

By letter filed April 18, 2007, Universal seeks revocation of the Company's

Certificate. According to Universal, the Company performed a voluntary dissolution of

the corporation in January, 2005, and Universal asserts that no customers were affected

by the Company ceasing its operations.

As Universal is not providing the services for which the Company's Certificate of

Public Convenience and Necessity was granted, the Commission finds and concludes that

Universal's Certificate of Public Convenience and Necessity to provide

telecommunications services should be cancelled.

IT IS THEREFORE ORDERED THAT:

1.   The Certificate of Public Convenience and Necessity to provide intrastate resold telecommunications services within the state of South Carolina authorized by Order No. 2001-543, dated June 6, 2001, issued to Universal Telecommunications, Inc. is hereby cancelled.

2.   Universal Telecommunications, Inc., if applicable, remains responsible for any assessments due during any year that the Company has operated in South Carolina.

3.   This Order shall remain in full force and effect until further Order of the Commission.
